

USAG
Value Part Evaluation Form (J.O. and Elite)

REGION 5 NEW ELEMENT EVALUATION COMMITTEE:
Char Christensen, RTC, Carole Leidtke, Judy Dobransky, Sandy Oldham

This form (6 copies) plus a self-addressed, stamped envelope must be submitted to Char Christensen, **1260 Churchbell Way, Columbus OH 43235**, in order to officially request evaluation of elements not listed in the FIG Code of Points or the USAG Supplement. You will receive a temporary RTC (and Region V Committee) evaluation for the element you submit which will be valid for one competitive year up to and including National Championships. Region V will up-date and publish a valid list each fall which will be dated and may be carried and accompany your form. Coaches will be notified of any changes in value made on these lists for their submitted element. During competition, should there be a different evaluation of the same element on forms from different RTC's, the chief judge should use the higher value for that competition and send notifications to each of the RTC's.

A video tape (non-returnable) may be sent along with the forms. There should still be a stick figure drawing on the form for judges' use at competitions.

When this form is returned to you with an element evaluated and the proper RTC verification signature, you as coach, are required to carry the form with you to all competitions and present it to the Meet Referee prior to the Judge's Meeting that precedes the competition. **NO OTHER FORM OR VERIFICATION WILL BE ACCEPTABLE.**
